

Инв. № подл.	Подп. и дата	Взам. инв. №	Инв. № дубл.	Подп. и дата

The diagram illustrates a ship's compass rose with four cardinal directions labeled in Cyrillic:

- Назад** (Nazad) - Back, located at the top.
- Вправо** (Vpravo) - Right, located on the right side.
- Вперед** (Vpered) - Forward, located at the bottom.
- Влево** (Vlevo) - Left, located on the left side.

The compass rose itself is a circle with a vertical dashed line and a horizontal solid line intersecting at the center. The four directions are marked with dots at the intersections. The 'Back' direction is also marked with a small square at the top. The 'Forward' direction is marked with a small circle at the bottom. The 'Right' and 'Left' directions are marked with small squares at the right and left respectively. The compass rose is mounted on a base with four small screws.
